2007 FALL, Media Services Group and Lenco PMC jointly announce a cooperative agreement whereby Media Services will represent Lenco CD & DVD Packaging products in the North American optical media market.

“We are proud to be involved with this US base manufacturer of high quality packaging for the optical media industry. As we enter into our 5<sup>th</sup> year of business, everyone at Media Services Group is really looking forward to this venture into a new part of our industry”, - says Ed Virgie, president of Media Services Group.

Lenco is committed to producing only the highest quality products at very competitive prices. The majority of all products Lenco produces are molded in Waverly, Nebraska.

Media Services Group has been serving the Optical Disc Industry since 2003. They offer a variety of services including new and used equipment sales, consumables sales and support.
